RIVERHEAD SEMI-CUSTOM MOULDINGS

To bridge the gap between stock profiles and custom designs, we offer a carefully curated selection of poplar profiles. In this collection of semi-custom profiles, you'll find traditional styles to complement the architecture of fine homebuilding. These profiles are crafted in our own millwork shop from 5/4" paint grade poplar, and are kept on hand for quick delivery.

All profiles are available in select hardwood species on express order basis. Actual profiles may vary slightly from what is shown.

When stock mouldings are not the right fit or look, Heritage Wide Plank Flooring & Millwork can create a unique profile to suit your needs. The Heritage Wide Plank Flooring & Millwork shop is outfitted with a state of the art moulder, CNC router and other specialized equipment to create custom mouldings, flooring and casework of all types.

We specialize in creating mouldings to match existing or historic profiles; milling wide plank flooring from pines, hardwoods, exotic woods and reclaimed materials; and creating cabinetry and casework to perfectly match your specifications.

Find out more about Heritage Wide Plank Flooring & Millwork and what we can do for you by calling 877-777-4200 or visit our website at www.hwpf.com
