TRANSITIONAL

Grace and Grandeur

For rare elegance that leaves a memorable impression, bold color reigns supreme. This transitional cooking, dining, and entertainment space is for those who treasure the opportunity to express their own unique design perspective. Three stunning hues instantly transform classical marble, an arching alcove, ultra-sleek doors, and polished brass details into something fresh and unforgettable.

Style Notes

- A** Regal Claret reigns in this multifaceted space.
- B** Our micro-Shaker Finch door adds modern linearity.
- C** Enclosed within a bar alcove, soft Petal balances this statement palette.

TRANSITIONAL

Equestrian Elegance

Restorative warmth meets refined simplicity in this breathtaking, organic-inspired space designed for upscale entertaining. Weathered beams, sun-drenched arches, and textural stone create an inviting backdrop for soft neutrals and handsome cognac leather—achieving an intricate balance of rustic soul and modern elegance. When each selection whispers quiet luxury, every gathering feels both effortlessly spontaneous and impeccably prepared.

Style Notes

- A** Irish Crème and Gossamer soften the interplay of stone and timber.
- B** The Harlan door brings order to curated contemporary rusticity.
- C** Bellagio metal accent doors in Onyx with glass inserts punctuate the look with a transitional touch.

TRANSITIONAL

Cavern Atelier

Grounded in nature's most fundamental palette, this behind-the-scenes culinary escape celebrates performance with finesse. For those who seek a discreet command center without sacrificing style, this thoughtful composition of earthy hues, luminous marble, and innovative convenience offers a breath of fresh air—in a place where fashion and function unite.

Style Notes

- A** An appliance garage elevates daily rituals.
- B** Our Harlan door carries the design with timeless ease.
- C** Cavern's deep neutral anchors this smartly devised prep space.
- D** The integrated pet station offers room for every family member.

CONTEMPORARY

Nordic Noir

Scandinavian design has taken a moody turn. The Nordic Noir trend juxtaposes light woods and cozy fabrics against a darker palette of blacks, blues, or purples that add depth and drama. Clean lines and concealed appliances accentuate the minimalist Nordic styling, achieving a confident balance of comfort and sleek design.

Style Notes

- A** Base Cabinet with Pull-Out Step Stool expands your reach.
- B** Trash Bin with Integrated Chopping Block maximizes efficiency.
- C** Classic black and white styling takes on a fresh interpretation.
- D** An ample central island makes space for cooking and gathering.
- E** Deep farmhouse sink offers charm and practicality.

(Platinum) Osborn in Pistachio on maple

A

TRADITIONAL

Romancing Nature

Soft style that appeals to the senses. Fresh colors that evoke optimism. This room blends the vintage charm of opulent opal tile, a crystal chandelier, and contoured brass hardware with the modern luxury of personalized storage and glass-panel doors. The result: a room that welcomes entertainment, kitchen prep, and moments for quiet relaxation.

Style Notes

- A** This space shows off a fresh approach to multi-use rooms designed for entertainment, display, and storage all in one.
- B** Enhance the cohesive look of your space with a stylish custom appliance door panel.
- C** Supplies like trash bags, dish towels, and more are available in the single-slide Base Sink Cabinet with Drawer.

TRADITIONAL

Jewel-Toned Luxe

The next on-trend neutral isn't a neutral at all. This room departs from conventional all-white, embracing a rich, deep blue as the foundation of its crisp and timeless palette. An expansive island, ample prep space, gleaming brass fixtures, and statuesque ceiling-height cabinetry create a soaring and sophisticated culinary space.

Style Notes

- A** This classically elegant kitchen embraces color for a traditional luxury look.
- B** An exquisite statement range hood seamlessly blends form and function and a breathtaking moment in the design.
- C** Our Night Sky stain is a rich, moody blue that lets the texture of the wood through creating a calming yet dramatic space.

MODERN

Retro Echoes

Function without the fuss. This cozy Mid-Century Modern kitchen pairs rich, midtone wood with modern grey. Geometric furniture pieces like sleek kitchen shelving and a custom bookcase enhance the vintage spirit, offering a blend of storage and showcase space. With exposed brick and brushed metallic textures to add industrial edge, this space will never go out of style.

Style Notes

- A** This one-of-a-kind accent shelf has a brushed metallic material behind each shelf to complement the stainless-steel appliance and brighten the kitchen.
- B** An artistic bookcase recalls Mid-Century geometric styling while offering a perfect blend of storage and showcase space.
- C** A center island optimizes space utilization in a smaller room.
- D** Keep silverware in one tidy space with tiered cutlery organization.
- E** Additional countertop space maximizes efficiency and expands the working area within a galley kitchen.

FARMHOUSE

Fresh Farmhouse

Historic styling comes to life with clean lines, rich shades, and rustic accents. A minimalist cabinet door style pairs perfectly with shiplap paneling on the hood and island. Wood accents on the island and nearby built-in bench tell a farmhouse-inspired story. With display shelving for beloved keepsakes, past meets present to create layers of natural comfort.

Style Notes

- A** Classic Farmhouse elements intertwine with thoughtful, elegant touches in this inviting kitchen.
- B** This walk-in pantry cabinet perfectly blends into the rest of the cabinetry, creating an unseen nook for storage, preparation, or just a moment of retreat.
- C** Enhance a center island with a geometric x-end for a classic Farmhouse look.

BATH

Dark Deco

Art Deco luxury creates a sumptuous sensory experience that feels a world apart. The dark color palette extends across cabinetry, walls, and shower, enveloping the space in intimate elegance. Clean-lined cabinetry echoes geometric glass and mirror details. Soft, warm elements—light wood paneling, taper candle-inspired sconces, an upholstered window seat—balance modernist touches with timeless comfort.

Style Notes

- A** Classic symmetry creates clear zones for calming moments.
- B** Personalized Divider Storage tucks away daily necessities.
- C** A built-in window seat welcomes relaxation and expands storage.

Medallion offers multiple ways to design the bath you dream of with our Silver, Gold, Platinum, or Bath Silhouettes lines.
